Grants Management System

The Grants Management System (<https://www.nhcdfragrants.org/>) is designed to help CDFA and grantees organize and manage grant related information at all stages of the process – from application through implementation and project completion. All users must register (<https://www.nhcdfragrants.org/register.jsp>) and login to gain access to the Grants Management System.

Using CDFA's Grants Management System

Below please find tips and step-by-step guides to help you navigate the various ways you will engage with the Grants Management System throughout your project. Additionally, a comprehensive online help link can be found on every Grants Management System page and is available 24-hours a day, seven days a week.

If you have additional questions that cannot be answered using the below guides and online help, please reach out to CDFA. We are available to assist Monday through Friday from 8:30 AM to 4:30 PM at 603-226-2170 or email Nate Olson (nolson@nhcdfa.org).
